**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a residential internet user who will be materially affected if you limit broadband competition. I previously had my phone and internet with AT&T, but was constantly frustrated by the poor quality, poor service, and high prices. It was a great relief to me that I was able to change to a competitive provider. Please do not grant the petition of those who wish to limit competition.
